OF SOUTH CENTRAL TENNESSEE

# 2021 Impact Report

## ● The Year of "Adapting" ●

COVID-19 continued to impact our kids and families in countless ways. But, **thanks to you**, our Clubs continued to **adapt and grow** as we learn to navigate the quickly changing world we live in.

### ➤ 1,060+ Youth Served

Despite the ever-changing guidelines and new challenges, **you still served** more than 1,060 kids and their families in 2021. When kids and families needed to feel some sort of normalcy, we were able to adapt and move forward with our award-winning programs. Our staff continued to supply the welcoming, positive environments that our kids and families have grown to cherish and love. Something to truly celebrate!

### Financial Assistance ←

**You provided free enrollment** for 658 children of essential workers, as well as financial assistance and scholarships to families in need.

### ➤ Academic Support

**You provided** full-day programming to support students and families who chose virtual learning last school year, including daily instruction from our certified tutors and free meals for all participants. **You also helped** expand our programs to serve even more kids when we went back to school this fall, reaching **more than 440 youth per day**.

# Teen Center CHOPPED Competition

This past summer, **you gave our Teens the opportunity** to compete in the first-ever Chopped: Teen Center Edition. Under the supervision of Chef Paul Jensen from the Dotted Lime, the Teens developed a menu, prepped and prepared the food, and served their dishes to a panel of local "celebrity" guest judges.

# Combatted Learning Loss

Last school year, **you helped over 150 students** with virtual learning when their schools went remote. During the summer, **you provided one-on-one and small group tutoring** to kids to combat learning loss. This tutoring program was especially critical to help kids stay on track academically and combat the "COVID slide".

# 1000+ Holiday Gifts

**You helped provide** over 1,000 holiday gifts to Club kids, supporting families who were struggling during the holiday season.

**THANK YOU!**
